# TERMS OF SALE

## ALL FLOOR BIDS ARE FINAL

This is a public and mail bid auction sale. All material is sold to the highest bidder without reserve or restrictions. Mail Bids are entered in the order received -- in the event of duplicate bids the lot is awarded to the first bid received. Please fill in completely all information requested on the Bid Sheet!

### GUARANTEE

All material offered is guaranteed genuine and as described, unless otherwise stated in catalog. AUCTION SALES ARE NOT APPROVAL SALES! Any claim of error must be made within three days after receipt of material.

### TO MAIL BIDDERS

NO "BUY" OR UNLIMITED BIDS will be accepted. We act as your agent and purchase for you as much below your bid as the next highest bid will permit. No commission is charged for handling your bids.

### VALUATION

To assist bidders, we have indicated an estimated retail price on most lots based on "Trends," reference books (catalogs), and recent auction records. This is merely an ESTIMATE, in no way indicating the price the lot will actually realize -- as higher or lower prices may prevail.

### PAYMENT

The terms of this sale are strictly CASH! Payment is to be made immediately upon receipt of material or notification. AUCTION SALES ARE NOT APPROVAL SALES! NOTE: Ohio residents will be charged 4% Ohio State Sales Tax. Postage and insurance will be added to your invoice.

### REFERENCES AND DEPOSITS

If bidders do not have credit established with our firm in the total amount of their bids, then complete and satisfactory credit references must be supplied. Otherwise, a 25% deposit of the bids will be required. We reserve the right to demand payment before delivery of purchases when such amount exceeds the amount of established credit.

**ALL BIDS TO BE FOR THE ENTIRE LOT - NOT BY THE PIECE**

Mail Bids for this Sale must reach our office in Englewood, Ohio ON OR BEFORE **TUESDAY, NOVEMBER 3, 1970.** Late Bid Sheets may be mailed direct to Paramount International, c/o the McAlpin Hotel, 34th & Broadway, New York, New York 10001. A post-paid envelope is enclosed for your convenience.

## INSTRUCTIONS FOR MAIL BIDDERS

If you have never before bid by mail, you may feel somewhat at a loss in submitting a mail bid for an auction sale. Basically, however, the procedure is quite simple. You will notice on the enclosed Bid Sheet a place for entering the Lot Number as well as the amount you wish to bid. (It is not necessary to describe the Lot on which you are bidding). After carefully reading the description of the Lot in question, simply write down the Lot Number and the maximum amount you are willing to pay in the appropriate columns. For example, let's assume you are interested in bidding on Lot No. 193. Determine the maximum price you will pay for this Lot, and enter this amount on the Bid Sheet as follows:

| NO. | BID |
|---|---|
| 193 | 95 — |
| | |

You will note we have used the term "maximum amount" above. The bid which you enter is the "maximum amount" or top price you will pay for a lot. However, there is always the chance you may obtain the lot for less! As indicated in our "Terms of Sale," we act as your agent and execute your bids as if you were there in person at the Sale. We will buy the Lot for you as cheaply as possible over the next highest bid. In other words, if your bid, for example, is $95.00 on Lot No. 193 and the next highest bid, whether by mail or floor, is only $75.00, the Lot would be awarded to you at $80.00 -- or a nominal 5% to 10% increase over the next highest bid.

Before entering your bids, please read very carefully our "TERMS OF SALE." And if you have any questions regarding bidding or regarding the Sale itself, drop us a line and we will reply at once. Bidding by mail permits the individual to participate in the auction sale just as though he were able to attend the Sale in person. Many bargains are obtained through the medium of auction sales, and it can be a very exciting as well as rewarding method of obtaining needed items for your collection. We look forward to your participation in this as well as future Sales.

## *Quantitative Grading*

You will notice as you leaf through this catalog that we are now using the QUANTITATIVE GRADING method of describing most of the lots in this Sale. This is to help you, the bidder, to know more precisely the condition of a coin. It works like this: If a consigned coin just meets the minimum requirements to qualify, for example, Very Fine by Brown & Dunn standards, that coin will be listed as VF-20. If the coin is better than minimum, it would be listed as VF-25. If it is what normally would be listed as Very Fine to Extremely Fine, the coin would be designated as VF-30. The following numbering system is employed in this scale:

| | | | |
|---|---|---|---|
| Very Fair | 3 | Very Fine | 20-30 |
| Good | 4-6 | Ext. Fine | 40-45 |
| Very Good | 7-10 | About Unc | 50-55 |
| Fine | 12-15 | Uncirculated | 60-70 |

We believe this grading system will be beneficial to you, and your reaction and comments would be appreciated.
